

The letter of intent

CULTRURAL- transnational project

The partners

LAG KKTM ry, Finland

LAG Cserhátalja LEADER, Hungary

LAG Abaúj Leader Egyesület, Hungary

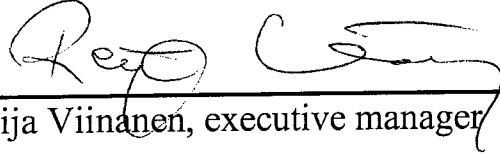

LAG Borsod-Torna-Gömör- Egyesület, Hungary

1. With this letter of intent we agree to implement a common transnational project called Cultrural-transnational project. The project will be implemented during the years 2010-2013.
2. All the partners will follow the common project plan which will be finished together.
3. The lead partner will be Finland LAG KKTM / Union for rural education. It will be responsible for communication between the partners, finishing the final co-operation agreement, transferring the decisions to the partners and inform European Comission about the project. KKTM / Union for rural education will coordinate the joints actions agreed by the final project plan by all the participants.
4. Every partner will apply their national and transnational project funding from their own country and will be responsible for own budget actions and results.
5. There will be a steering group in a project which consist of the representatives of all LAGs involved. The role of the steering group is to monitore, follow and evaluate the project plan. The steering group will operate under the lead partner.
6. This project is open for new LAGs to join before the final agreement has been signed up.
